Birthday Time

It was the birthday of our dearest Sr. Sushila on 24th August. It was celebrated by cake cutting and birthday wishes from teachers as well as the students. The students lined up in the school corridor to present her flowers. The entire school will always be thankful to God for bringing you as our Sr. Manager. You are doing wonderful things in the lives of the staff, and the entire students.

IF YOU WANT TO...

If you want to....

If you want to praise,
Praise the Almighty.

If you want to shine,
Shine like a star.

If you want to stop,
Stop the evil deeds.

If you want to burn,
Burn your ego. If you want to give,
Give respect to others.

If you want to win,
Win the trust of people. If you want to enjoy,

Enjoy the moments of life.

If you want to think,
Think about the noble deeds.

If you want to break,

Break the superstitions.

If you want to admire,
Admire God's creation.

चंद्रयान 3

चंद्रमा पर पृथ्वी की मनोहर दृष्टि,
जिस पर पहुंचना चाहती थी पूरी सृष्टि।

पर आज पहुंचा वहां झंडा केसरिया, सफेद और हरा,
जिसने पूरे देश के लोगों में एक नया जोश भरा।

चांद पे भारत की छोड़ने वाली छाप थी ये वो यात्रा,
जिसमें निवेश की तो थी बहुत ही कम मात्रा।

भारतीयों के लिए धरती मां और चांद मामा था,
इसरो को बस इनका रक्षाबंधन जल्दी मनाना था।

लगभग दो लाख मील की दूरी हमारे लिए कहां है अब तू,
चंद्रा मामा के घर जाने का होगा अब बहुत आसान तू।

FACE OF NATURE

Those mornings when I opened my eyes,
I could see the beautiful sky,
The sunrise like the golden dust,
The chirping birds who woke up first,
The trees got the greenish glow,
The cold breeze I felt moving slow.

Those evening times when I loved to play,
The most beautiful moment of the day,
When the birds went to their nest,
The sunset view was the best,
Those nights when the sky was dark,
But the stars ignited with their spark,
The silent night when everyone slept,
The only time relaxed I felt.

These things have started ending,
The days are now no more interesting,
Those nature view were just wow,
Sadly that beauty is being destroyed now.

SCHOOL DAYS

Oh, school days, how they swiftly pass,
Moments cherished, like grains of sand in an hourglass.
A tapestry of memories, woven with care,
School, the place where friendships rare.
From morning bell to recess bell's chime,
Laughter echoed through corridors, a joyful rhyme.

Exploring subjects, discovering new realms,
Nurturing passions, weaving life's helms.
Friendships formed, like seeds sown,
Blossoming into bonds, forever known.
Shared laughter, tears, and secrets too,
A support network, loyal and true.

Oh, school days, a foundation so strong,
Preparation for a future, bright and long,
Nostalgia tugs at the heart's gentle strings,
Reminding us of the joy that learning brings.
For in those halls of knowledge and cheer,
We found our passions, dreams crystal clear.
School, the best time, an invaluable treasure,
A chapter of life we'll always cherish and measure.

Independence Day Celebration

It was a red letter day in the history of India when the country got its freedom on August 15, 1947. It took hundreds of years for us to break the shackles of slavery. The main Programme is celebrated at the Red Fort in New Delhi. Besides, this festival is also celebrated in every city and town, in homes, offices, schools, colleges and universities. Our school also celebrates this festival every year. In the morning, the student council along with some students of our school marched out in a procession through the main streets near the school. **LT.COL.MITHLESH YADAV** was the Chief Guest of the Programme. She hoisted the national flag on the school ground. All the students and the teachers saluted the flag and then sang the National Anthem with nobody moved honoring it. Then followed the Cultural Programme. Patriotic Speech was delivered and Songs were sung by the students. Some students also presented the group dance and mime.

SAVE EARTH

To say that saving the earth is the need of the hour would be an understatement. All the activities of humans driven by greed and selfishness have caused immense damage to the earth. Earth is the only planet which can sustain life on it. We do not have a planet B which we can move onto. This makes it all the more serious to save the earth and save our lives. If we do not take strict actions now, we will lose the chance of seeing our future generations flourish forever. This message was beautifully presented by our primary students.

Elocution Competition

An elocution competition is the art of public speaking that gives us self-boost and confidence to speak in front of a large audience. It enables children to create a connection with the audience who is listening to them through voice modulation. When the child is reciting, he/she brims boundless energy and resilience. Proper training in speech and drama and a lot of conviction are essential during any elocution competition. An elocution competition at school level gives students an opportunity to combat one of the biggest fear factors i.e. stage fright. The Inter House School Elocution Competition was held on 26th August, with 2 participants from each house. Every single contestant performed well and their speeches were really exciting.

Rakhi Making Competition

Rakhi also called as Raksha Bandhan symbolises the true love and bond between brothers and sisters. Rakhi has deep significance and it has been used for the protection of the person who ties it on his hand from mythological times. This sacred thread is used by Lords Indra, Queen Karnavati, Kunti, Rabindranath Tagore and other famous personalities to create harmony in the world. To symbolise this festival, "Rakhi Making Competition" was organised in the school on 26th August. The students enthusiastically participated in this activity and the outcomes were very creative and eye-pleasing.

Inter school competition

Competitions play a role in motivating students to perform, excel and offer a lot more reward than just the winning prize. Competitions offer a chance for participants to gain substantial experience, showcase skills, analyze and evaluate outcomes and uncover personal aptitude. Keeping this in mind, our students participated in an Inter-School Event **CANZOBLITZ '23** held at **Mount Carmel College** on 25th and 26th August. There were a number of competitions and our students, of various classes, participated in maximum of them, which resulted in us holding the top ranks in many. In "Gourmet Crackers" Competition, **Shriya Singh** and **Harshita** bagged first prize. In "Bip the Clown" Competition too, **Aniket, Vanshika, Deepika, Atharv, Parth** and **Anushka Pandey** stood at first position. **Shivam Pandey, Ayush Dubey, Namra, Jahnavi Singh, Arohi Singh** and **Riya Singh** were successful in grabbing the 2nd position in "Alfaaz". In "Ethereal Classical Dance" Competition, **Riddhima, Akriti** and **Satakshi** bagged third prize. Also, in "Word Weavers" Competition, **Shubhi Pandey** stood at third position. The students made us very proud of their efforts and achievements.

Well Done students! Keep Shining!

Congrats!
