## SUCCESS AND FAILURES ARE TWINS

**Sr. tessy antony**

**FROM PRINCIPAL'S DESK**

*Don't be scared of making mistakes .We avoid mistakes. We avoid situations where we might commit a mistake .Everyone seems to be busy in maintaining the track record. We are tuned to learn by mistakes that others make .How selfish !Can't we learn from our own mistakes ? To err is not sin ,not making an attempt that might cause mistakes is surely one .Failures and mistakes are not that bad as we are made to believe. Don't be afraid of making Mistakes and facing failures. Failure is one of the paths that leads to success. When Thomas Alva Edison failed at least a thousand times to create a light bulb, he said that he learnt thousand ways ,which did not work .life is a great learning process and mistakes and failures teach you what success doesn't. People often say nothing succeeds like success. But what they fail to understand is that nothing fails like success .When you suffer with the success syndrome, you start believing that whatever you will touch will turn into gold. No such alchemy exists in the real world .My dear students when you become successful you must sit down and ponder, because if you have not understood the real cause of triumph it will not come to you next time .As there are certain causes of failures, there are also certain causes and factors that makes you a winner .If you don't Annalise what you have accomplished and the factors that lead it, next time you may fail if those factors are absent. So you conduct a 'defect prevention cause analysis 'after each windfall. Success and failures are twin sisters .Nothing prevents us from respecting both, one for achievement, and other for Leading to achievement.. The mistakes of all us is to avoid situations in which you might make a mistakes. !watch your ladder . . . .is it leaning against the right wall ?*

*Stay safe . . .*

## PLANT TRANSITIVE

*The tree is the key to a pollution-free environment for a long time because they are responsible for providing oxygen, improving the quality of air, climate amelioration, conserving water, soil preservation, and supporting wildlife. Due to all these reasons, tree plantation has become necessary in the present scenario as pollution is at a peak. Tree plantation is the only way to control pollution to some extent.*

*Our Father of the Nation, Mohandas Karamchand Gandhi, was in favour of clean and green India. To commemorate his birthday, the students actively participated in planting saplings that will, in future, contribute to pollution control. The activity took place on 30th September in the school premises.*

**GENERATIONS OF CATHOLICS HAVE ADMIRERD THIS YOUNG SAINT, CALLED HER THE "LITTLE FLOWER", AND FOUND IN HER SHORT LIFE MORE INSPIRATION FOR THEIR OWN LIVES THAN IN VOLUMES BY THEOLOGIANs.**

**YET THERESE DIED WHEN SHE WAS 24, AFTER HAVING LIVED AS CLOISTERED CARMELITE FOR LESS THAN TEN YEARS. THE LITTLE WAYS OF ST. THERESE TEACHES US TO BE SMALL, TO DO SIMPLE THINGS WITH GREAT, BIG LOVE AND GIVE THE LORD OUR ALL.**

**RED HOUSE CELEBRATED HER FEAST DAY ON 4TH OCTOBER, WHEREIN STUDENTS FROM ALL THE CLASSES PARTICIPATED. THERE WAS A PRAYER SONG, A PRAYER DANCE AND A BEAUTIFUL SKIT THAT PORTRAYED HER LIFE BEAUTIFULLY. SOME OF THE GLIMPSES OF THE DAY ARE PRESENTED BELOW.**

The school organized PTM on 5th October 2023 which witnessed enthusiastic interest among parents for the smooth working and progress of the school. The main objective of the meeting was to create a common platform, where teachers and parents come together to discuss student's performance and devise ways to enrich their learning experience. The teachers briefed the parents about their ward's performance during the first term. Together they identified the areas of strength and weakness of the child and sorted out ways to boost the child's performance. Parents were encouraged to appreciate student's participation in all academic activities. This helped to create the necessary consciousness among parents to stimulate their interest in the students and the school. Suggestions were personally given to each parent to enlighten them about the concept, mission, core values and objectives. The meeting helped to create a better understanding between parents and teachers and build a harmonious relationship between the school and the community.

## Activity with leaves:

Children acquire a lot of knowledge through printing and painting activities. This is also a way for children to express emotions, convey ideas, use their senses and explore colours. Children always love to paint with unusual items. Giving them an opportunity, our Nursery teachers conducted a 'Leaf Printing' activity to teach the little minds about leaves and colours. They creatively learned about the same through an open-ended nature art activity. All the students actively participated and developed a new perspective towards the leaves. The outcome of this activity was mesmerizing.

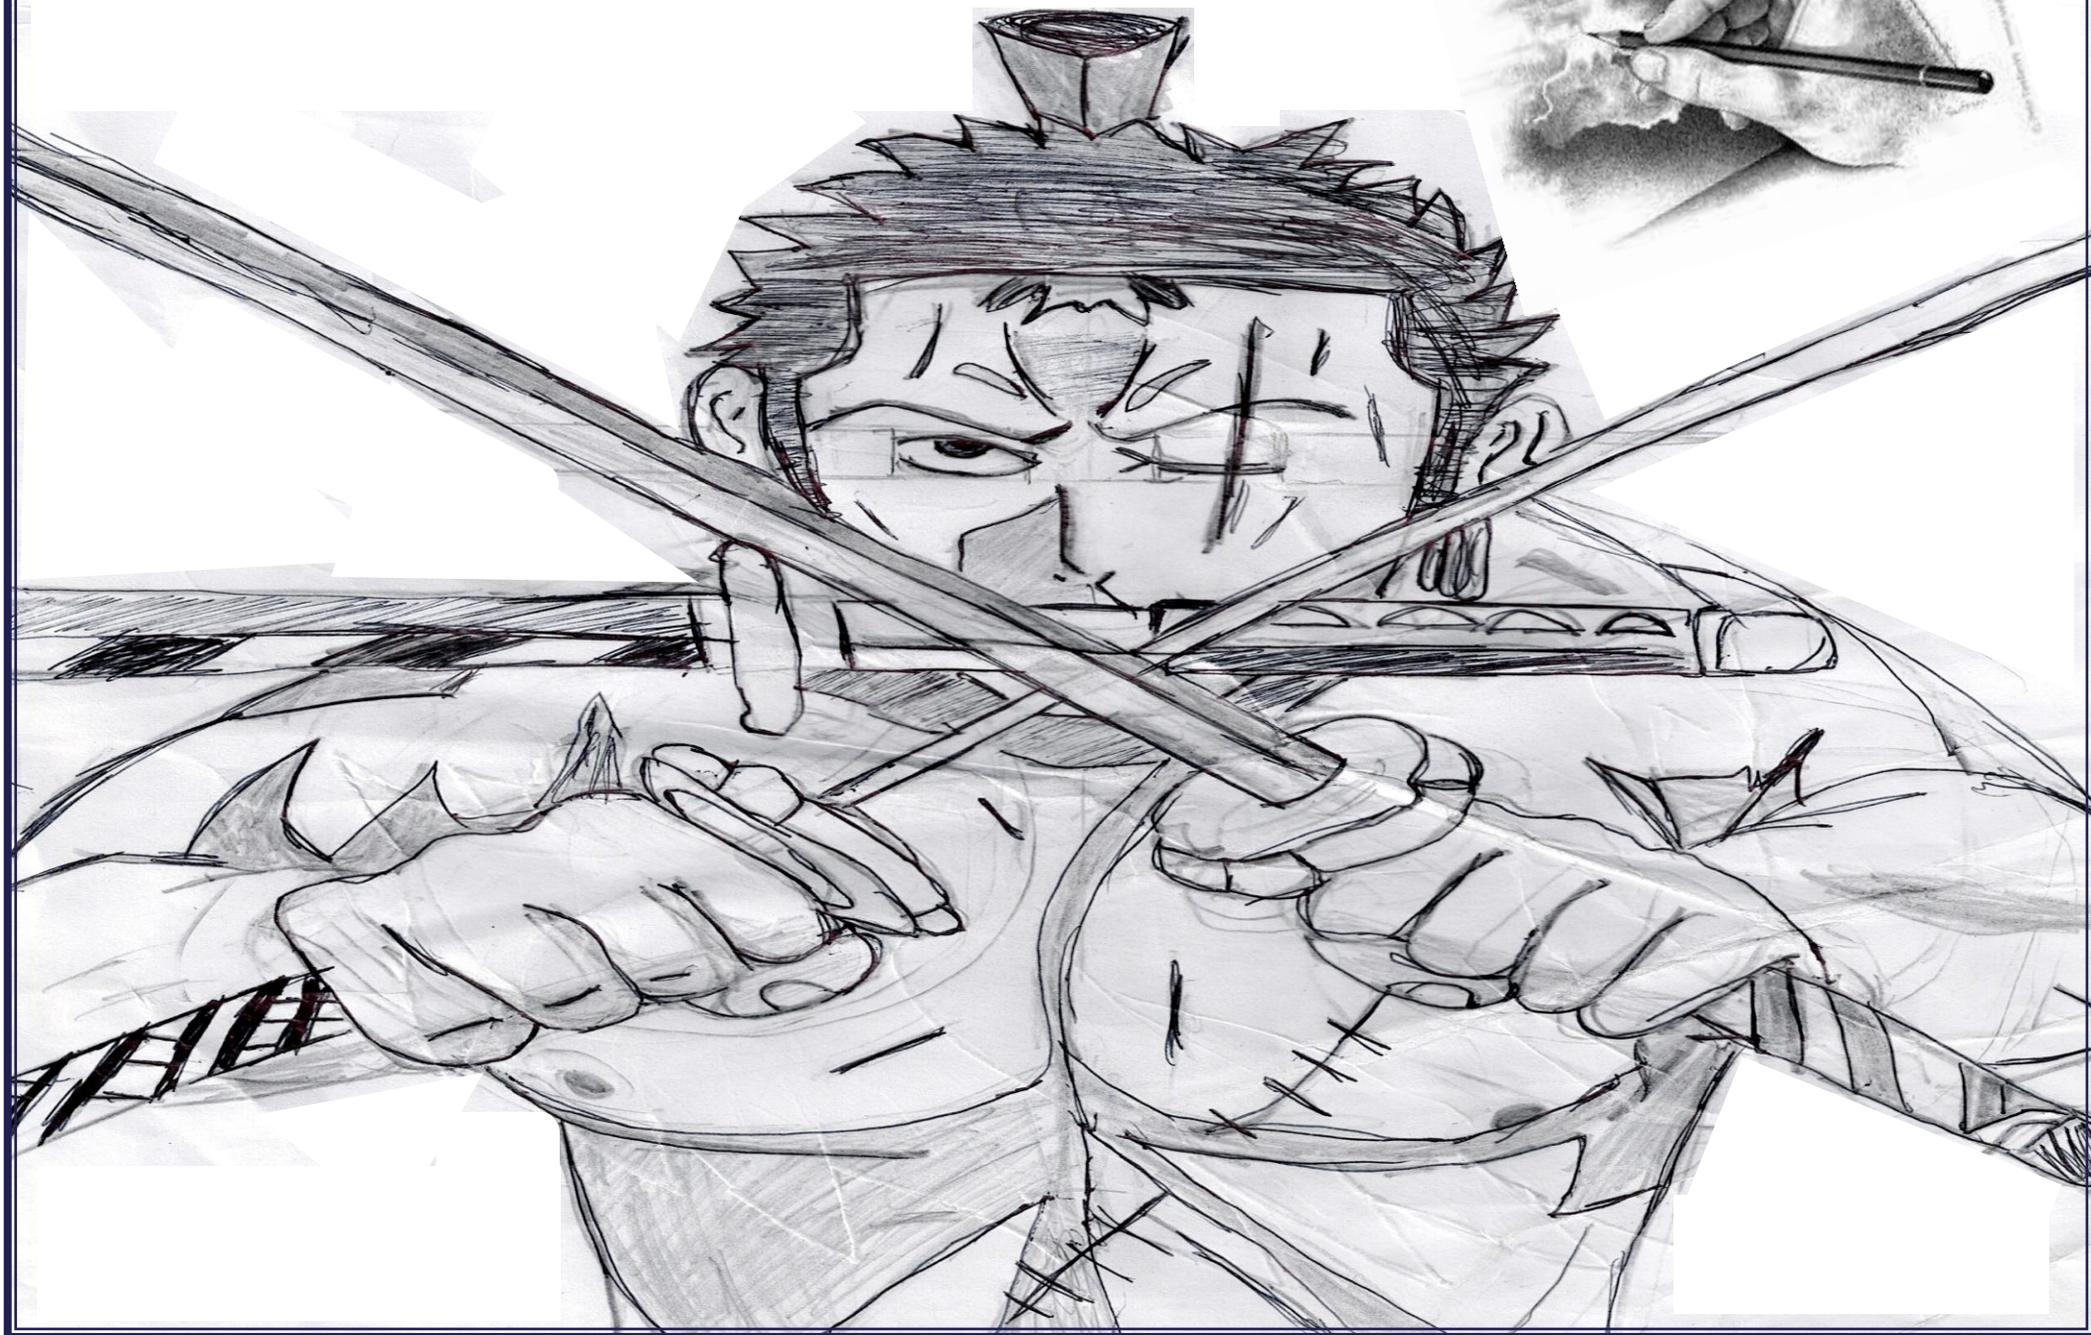

We were overjoyed to see the creativity these cuties can showcase

## School Excursion:

### All Work And No Play Makes Jack A Dull Boy.

*After the intensive and exhaustive study and half yearly exam schedule, Immaculate Conception Convent School, organised a school excursion to Stamrapali Water Park and Anandi Magic World for different classes. The students from pre-primary went to Stamrapali Water Park on 12th October. Std 1st to 7th also had their fun time at Stamrapali Water Park on 6th October while the senior classes, 8th to 12th, went to Anandi Magic World on 7th October. All the classes were accompanied by their class teachers.*

*The buses carrying the students and the teachers left school at 8:00 in the morning. All the students enjoyed the various fun rides and had a gala time till evening. Rides like Breakneck speed, Waves pool, Rain dance got popular among the students. Students' happiness increased by leaps and bounds after taking up the challenging rides.*

*The energy of students knew no bounds, as even post lunch the excited students continued adding thrill to their trip by trying the different rides in the amusement park. Overall, the trip was a very refreshing one and rejuvenated the students.*

# Saint Teresa of Avila

A portrait of Saint Teresa of Avila, a Spanish mystic, writer, and reformer of the Carmelite Order. She is depicted from the chest up, wearing a dark brown habit with a white veil and a white collar. She has a serene expression and is looking slightly to the right. Her right hand is visible, holding a quill pen. The background is a dark, textured brown.

**“I believe that God helps  
those who set out to do  
great things for His sake  
and never fails those  
who trust in Him alone.”**

**–Saint Teresa of Avila**
