Sr. Tessa Antony

From the Principal's desk

"We are the world; we are the children, we are the ones to make a brighter day so let's start giving ;there's a choice we're saving our own lives; it's true we make a better day just you and me....."

"We are all a part of God's great big family, and the truth is that love is all we need"

These are some of the lines from the famous, million dollar song, by the top of the pop stars sung for "Africa Aid" in 1988. This song in no uncertain terms portays the role that each of us must play as part of the large human family .

The human family of Republic country lays the same responsibilities on each of its members.

We are the people of this Republic. We are this great big family., together called to make its future bright .so let's start giving ourselves in the service of freedom, peace unity and prosperity for our nation, thus making it truly a sovereign, Democratic Republic. All that we need is love to achieve the common good of the people around us.

Perhaps it is right to say that most of us have lost or are losing the sense of belonging to our country as a Republic. We remain handicapped and fragmented in our own cliques in our own homes -imprisoned within our own 'narrow domestic walls .in Tagores words .these walls do not protect but divide and keep us from reaching out to others .

In the preamble of the constitution we see clearly how each of us is called to adopt and enact the principles laid down therein .Justice , Equality, Fraternity, Liberty are the principles to be lived out in our lives ,are we ?

The principle that gives and safeguards freedom for us and for others is "love your neighbour as yourself, "Strangely enough ,peace ,harmony and freedom are gifts to be enjoyed together.

You cannot have freedom when your neighbour is facing war .You cannot have freedom when your neighbour is denied experiencing freedom .

Stay safe .

"Lost in memories"

As usual, I sit on the balcony,
Gazing at the reddish-blue sky,
and the night gets darker, as the evening time passes by.

Lost in this beautiful view,
My mind diverts me back,
To those similar nights,

When I used to lay myself on the rooftop, counting the stars in the black.

Because of the moon in the crescent,

The sky was smiling,

And the stars seemed to be a glittering world,

By which the sky was igniting.

Slowly-slowly, the sky got dark,

And when it came to my realisation,

I stood up and left the balcony,

Thinking about this imagination.

~Mahjabeen (8-B)

"something to say"

whenever my life got messed up and problems surrounded me in every possible way, then I found you there to say My first love, my superhero ; you taught me everything , whether it be to write in cursive or to make a perfect zero.

You loved me so much and always taught me for my good sake , because of you, there are toys in my cupboard,

I never had to see a blank space.

My dear Father I love you so much and will continue to do so until my last breath.

I have nothing to give you in return but

all I can say is

Thank You

ANSHIKA PANDEY & B

"My Father"

OH MY FATHER!
YOU ARE SO COOL,
YOU ARE MY HERO,
AND I LOVE YOU TOO.

OH MY FATHER!
YOU ARE SO BUSY,
YOU WORK DAY AND NIGHT,
SO MUCH SO, YOU FORGET TO EAT.

OH MY FATHER!
NO ONE CAN LOVE ME MORE THAN
YOU,

I FEEL SO SAFE WITH YOU
THE BEST FATHER AWARD GOES TO
YOU.

OH MY FATHER!
I REALLY LOVE YOU TOO.

- AARTI MISHRA 7-B

Maa : a synonym of love

I don't need a best friend cause

I have you and my words will never be able to explain how much I love you

You are my motivation , my inspiration, a solution of my every depression

*You are a river which washes away all my sins and you are the only person
whom I can share everything , your abandoned Love and care your those hands
which hold all of my fear , my pain and your tear*

on my every downfall I found you standing with me there

*It's well said that God can't be present everywhere so He created mothers and
then gave her a place that can never be replaced by others*

*Maa I don't need anyone cause I have you and my words will never be able to
explain how much I love you.....*

Anushka Pandey- 8th -B

Spreading Smiles: A Glimpse into Our Charity Distribution Event

In the spirit of compassion and generosity, our school recently organized a heartwarming charity distribution event that left an indelible mark on the hearts of both givers and receivers. The initiative aimed to extend a helping hand to those in need within our community and beyond, fostering a sense of empathy and unity among our students. Various items, like that of, food products and basic necessities were distributed.

On the day of distribution, the atmosphere was charged with anticipation and excitement. Our students, with smiles as bright as the sun, took on the responsibility of delivering the collected items to various underprivileged communities. The act of distributing these provisions was not merely a charitable gesture; it was an embodiment of our commitment to making a positive impact on the lives of others.

WISH YOU ALL A VERY
HAPPY REPUBLIC DAY
