Believe in yourself

from the Principal's desk
Sr. Tessy Antony

ANITA WAS A BUBBLY CHILD WHO GREW UP WITHIN THE HIMALAYAN SNOW IN THE EASTERN REGION OF NEPAL. THE PARENTS OF ANITA WERE SHEPHERDS. AT THIS POINT OF THE YEAR, THE SKY WAS BLUE AND THE SUN SMILED DOWN UPON THE VILLAGE. THE STARS IN THE DARK LOOKED BRIGHTER. ANITA SAW A LOT OF TOURISTS VISITING HER VILLAGE. WATCHING THE PEOPLE VISITING HER VILLAGE MADE ANITA INQUISITIVE. SHE WAS CURIOUS AND ASKED HER FATHER THE REASON BEHIND THEIR VISIT. ANITA'S FATHER TOLD ANITA THAT THEY ALL HAD COME TO CLIMB THE MOUNTAINS. ANITA WAS AMAZED BY THEIR COURAGE. SHE ASKED HER FATHER IF IT WAS POSSIBLE TO CLIMB THE MOUNTAINS. HER FATHER TOLD ANITA THAT IT WAS POSSIBLE TO CLIMB THE TOP AND THAT MANY PEOPLE DO IT. ANITA BECAME AMBITIOUS AND TOLD HER FATHER THAT SOMEDAY SHE WOULD ALSO CLIMB THE MAJESTIC MOUNTAINS. ANITA HAD COURAGE AND HOPE AND A BURNING DREAM IN HER EYES.

Life had some other plans for Anita.

When Anita was thirteen, she lost one of her legs. Her happy world was destroyed by clouds of sadness. She cried and told her father that she would never be able to climb the mountains. Her father loved Anita dearly. No father can see his daughter in pain and so it was difficult for Anita's father to see her in pain. Anita's father was devastated; he did not lose heart. Anita's father was courageous and he tried to motivate her. He asked Anita to have self-belief in herself and told her that she can do anything.

One fine day, Anita's father built a peg and a wooden leg that Anita could wear and could walk easily using it. Anita's father told her to never say the word 'never'. The determined father told Anita to climb the mountains.

Anita became very happy and elated. When she wore the wooden limb and tried walking, she fell. Anita was a courageous girl. She stood up and tried to run again but again she fell. The village laughed at Anita and her father. They made fun of their foolishness. Nothing could pull Anita and Anita's father down. Both of them were strong and determined to win against all the odds. They continued to practice. After over five years of hard work, Anita finally made it to the highest mountain. Anita made her father and her country proud.

Stand Tall and Believe in Yourself

The Moral of the Story - Believe in Yourself

Nurturing Nature BEING HUMAN

A PERSON LIVING CLOSE TO NATURE IS MORE CREATIVE. NATURE MAKES YOU A BETTER PERSON. AN HOUR SPENT IN NATURE IN THE MORNING CAN ADD A YEAR TO YOUR LIFE. GOD HAS DECORATED THE CREATION THROUGH NATURE KEEPING HUMANS IN MIND. WALKING WITH NATURE MEANS SEEING A THOUSAND MIRACLES TOGETHER. IT IS ONLY THROUGH THE EFFORTS OF NATURE THAT HUMANS BECOME STRONG, PROSPEROUS AND HEALTHY.

NATURE AND MAN COMPLEMENT EACH OTHER. THERE IS A VERY DEEP CONNECTION BETWEEN THE TWO. FOR HUMANS, THE EARTH AND ALL ITS THINGS LIKE THE EARTH'S COURTYARD, SKY, SUN, MOON, RIVER, OCEAN, TREES AND PLANTS ARE THE MEANS OF FOOD. NOT ONLY THIS, THERE IS NO BETTER TEACHER FOR MAN THAN NATURE. WHATEVER MAN HAS ACHIEVED TILL DATE, HE HAS DONE IT ONLY BY LEARNING FROM NATURE. NATURE TAUGHT MANY LESSONS TO GREAT SCIENTISTS LIKE NEWTON, INCLUDING GRAVITY. MANY POETS LIKE WILLIAM WORDSWORTH, ROBERT FROST AND MANY OTHERS HAVE WRITTEN MANY POEMS WHILE LIVING IN THE COMPANY OF NATURE. ACTUALLY NATURE TEACHES US MANY IMPORTANT LESSONS. JUST AS AUTUMN DOES NOT MEAN THE END OF TREES. FAILURE CAN NEVER SCARE THE ONE WHO HAS ASSIMILATED THIS LESSON IN HIS LIFE. SUCH PEOPLE TRY TO ACHIEVE SUCCESS AFRESH AFTER EVERY FAILURE WITHOUT GETTING DISTRACTED. SIMILARLY, TREES LADEN WITH FRUITS BUT BENT DOWNWARDS TEACH US TO REMAIN HUMBLE AND DECENT DESPITE GETTING SUCCESS AND FAME OR BEING PROSPEROUS.

NATURE HAS GREAT IMPORTANCE IN EVERYONE'S LIFE. WE HAVE HEARD FROM OUR ELDERS THAT A PERSON WHO PLANTS A NEW TREE FLOURISHES IN HEAVEN FOR AS MANY YEARS AS THE TREES PLANTED BY HIM FLOURISH.

THE BIGGEST SPECIALTY OF NATURE IS THAT IT DOES NOT CONSUME ITS OWN THINGS, LIKE A RIVER DOES NOT DRINK ITS OWN WATER, A TREE DOES NOT EAT ITS OWN FRUITS, FLOWERS SPREAD THEIR FRAGRANCE IN THE ENTIRE ENVIRONMENT. THIS MEANS THAT NATURE DOES NOT DISCRIMINATE OR FAVOR ANYONE. BUT WHEN MAN PLAYS WITH NATURE UNNECESSARILY, IT GETS ANGRY, WHICH IT ALERTS MAN FROM TIME TO TIME BY EXPRESSING IT IN THE FORM OF DROUGHT, FLOOD, INUNDATION AND STORM.

BUT THE TRUTH IS THAT WE DO NOT UNDERSTAND OUR CONTRIBUTION AND RESPONSIBILITIES TOWARDS NATURE AND CONTINUE TO EXPLOIT NATURE. BUT WE SHOULD KEEP THIS IN OUR MIND THAT ONLY WITH THE SMALL CONTRIBUTION OF EACH ONE OF US EVERY DAY, WE CAN SAVE OUR PLANET EARTH, CONSERVE IT AND REGAIN THE NATURE THAT WE HAVE INHERITED. NATURE AND MAN ACTUALLY COMPLEMENT EACH OTHER.

Hope

HOPE IS A VERY BRILLIANT THING,
THAT WE SHOULD HAVE IN US.
IT IS LIKE A LITTLE BUS,
IF NOT ON TIME, IT CANNOT HELP
US.

HOPE IS LIKE A LITTLE BIRD,
WHICH REMAINS BY OUR SIDES.
IT RESIDES IN THE HUMAN SOUL,
IN THE HEARTS OF PEOPLE FROM
EVERY POLE TO POLE.

IT GIVES US POSITIVE VIBES,
WE SHOULD ADMIRE IT EVERYDAY.
RESIDES US WHOLE DAY AND
NIGHT,
WITH ITS BEAUTIFUL WINGS OF
COLOURFUL LIGHTS.

IT TELLS US TO STAND,
IN FRONT OF ALL CALAMITIES.
AND TO REMOVE,
ALL ARE INNER NEGATIVITIES.

IT TEACHES US TO,
LEARN FROM ALL ARE FAILURES.
AND THIS MUCH LIFE IS,
JUST A TRAILER.

MY PRIORITY MY PARENTS

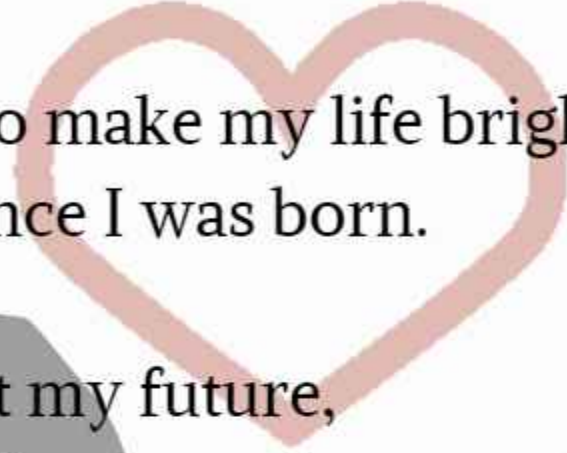

My parents are God for me,
They are the ones who care about me.

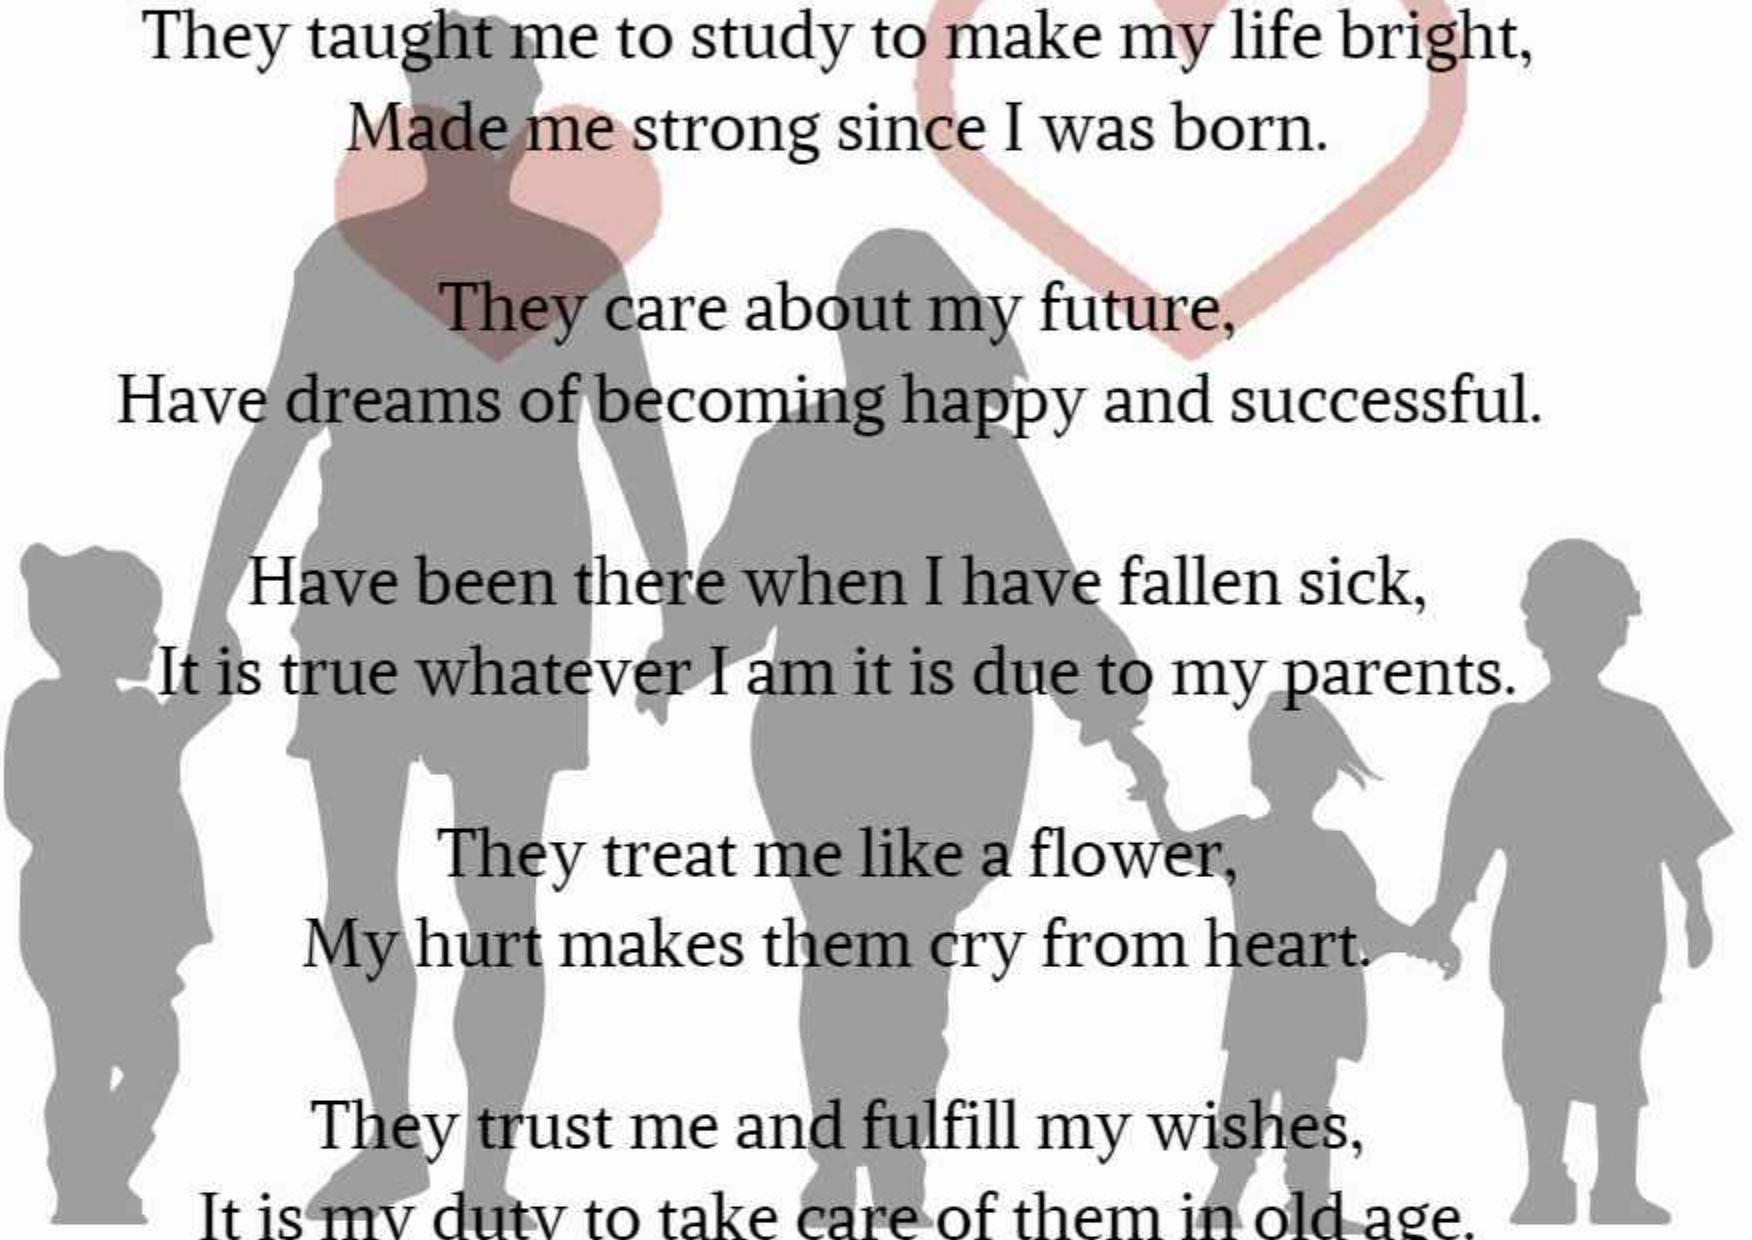

My parents work hard day and night,
Without any greed and selfless care.

They taught me to study to make my life bright,
Made me strong since I was born.

They care about my future,
Have dreams of becoming happy and successful.

Have been there when I have fallen sick,
It is true whatever I am it is due to my parents.

They treat me like a flower,
My hurt makes them cry from heart.

They trust me and fulfill my wishes,
It is my duty to take care of them in old age.

Think of things, parents have done for you.

Before even thinking of sending them to a old age
home.

I hope friends now you knew,
Why my parents are my superheroes.

A good leader should be like?

A GOOD LEADER SHOULD BE LIKE THIS

IN TODAY'S DYNAMIC WORLD, LEADERSHIP IS MORE THAN JUST A POSITION; IT'S A PROFOUND RESPONSIBILITY THAT SHAPES OUTCOMES AND INFLUENCES LIVES. A GOOD LEADER EMBODIES SEVERAL KEY QUALITIES THAT NOT ONLY STEER THEIR TEAM TOWARDS SUCCESS BUT ALSO INSPIRE TRUST AND GROWTH AMONG THEIR FOLLOWERS.

A GOOD LEADER SETS A CLEAR VISION FOR THE FUTURE. THEY HAVE THE ABILITY TO ARTICULATE GOALS AND OBJECTIVES IN A WAY THAT INSPIRES OTHERS TO JOIN THEM ON THE JOURNEY. THEIR VISION SERVES AS A GUIDING LIGHT, PROVIDING DIRECTION AND PURPOSE TO THE TEAM'S EFFORTS.

Effective Communicator!

COMMUNICATION LIES AT THE HEART OF EFFECTIVE LEADERSHIP. A GOOD LEADER COMMUNICATES OPENLY AND HONESTLY, ENSURING THAT INFORMATION FLOWS FREELY WITHIN THE TEAM. THEY LISTEN ACTIVELY TO THEIR TEAM MEMBERS, ENCOURAGING DIVERSE PERSPECTIVES AND FOSTERING AN ENVIRONMENT WHERE EVERYONE FEELS VALUED.

Empathetic and Supportive!

EMPATHY IS A CORNERSTONE OF GOOD LEADERSHIP. A LEADER WHO UNDERSTANDS AND APPRECIATES THE CONCERNS AND FEELINGS OF THEIR TEAM MEMBERS CAN BETTER SUPPORT THEM THROUGH CHALLENGES AND CELEBRATE THEIR SUCCESSES. THEY CREATE A SUPPORTIVE ENVIRONMENT WHERE INDIVIDUALS FEEL SAFE TO VOICE THEIR OPINIONS AND TAKE RISKS.

Integrity and Accountability

INTEGRITY FORMS THE FOUNDATION OF TRUST IN LEADERSHIP. A GOOD LEADER ACTS WITH HONESTY AND INTEGRITY, DEMONSTRATING CONSISTENCY BETWEEN THEIR WORDS AND ACTIONS. THEY TAKE RESPONSIBILITY FOR THEIR DECISIONS AND ACKNOWLEDGE THEIR MISTAKES, LEARNING AND GROWING FROM THEM.

Decisive Resilient

In times of uncertainty, a good leader remains decisive and resilient. They make informed decisions promptly, weighing risks and benefits while considering input from their team.

When faced with setbacks, they demonstrate resilience, adapting their strategies and inspiring confidence in their team's ability to overcome challenges.

Collaborative and Team-Oriented

A good leader understands the power of collaboration. They foster a sense of teamwork and unity among their team members, leveraging diverse skills and perspectives to achieve collective goals. They delegate tasks effectively, empowering others to take ownership and develop their skills.

Continuous Learner and Innovator

Leadership is a journey of continuous learning and adaptation. A good leader stays curious and seeks opportunities for personal and professional growth. They embrace innovation and encourage creativity within their team, challenging the status quo and driving positive change.

SUMMARY

A good leader is not defined solely by their authority but by their ability to inspire, empower, and guide others towards shared goals.

They embody qualities of vision, communication, empathy, integrity, decisiveness, collaboration, and continuous improvement. By embracing these qualities, they not only achieve success but also nurture a supportive and thriving environment where individuals can flourish and contribute their best efforts.

TRIPATHI

I consider educational institutes as nurseries of the future society. Since, it is them that works upon children at their most impressionable ages, influences formative years, instils confidence, molds, and shapes the personality of the child. Such institutes are thus architects of the future society.

Through the medium of education, I have been endeavoring to make a positive contribution by ensuring that the students are academically and morally sound individuals and an asset to the society. Accordingly, my efforts have been directed towards-

- Ensuring a holistic development of students.
- Making them academically capable without compromising with the development of their character and personality.
- Infusing in them, a sense of pride and morale.
- Instilling in them, sense of values and self-discipline.
- nurturing survival skills.
- Ensuring pursuit of excellence in all fields.
