The Tiny Seed's Big Dream

Once upon a time, in a small village, there was a tiny seed named Sammy. Sammy lived in a packet filled with many other seeds, waiting to be planted.

One day, a farmer picked Sammy and planted him in the earth. Sammy was excited but also nervous. "What if I don't grow?" he thought.

As the days passed, Sammy received warmth from the sun, water from the rain, and nourishment from the soil. He began to sprout, and soon, a small sapling emerged.

Sammy met various creatures who helped him grow: worms who aerated the soil, bees who pollinated his flowers, and birds who spread his seeds.

As Sammy grew into a strong tree, he realized his dreams:

- He provided shade for weary travelers.
- His fruits fed hungry children.
- His leaves cleaned the air.

But Sammy's greatest pride was inspiring others. He told fellow seeds, "No matter how small you are, you too can grow and make a difference."

Years passed, and Sammy became a wise old tree. Children would sit beneath his branches, listening to his stories.

Sammy's journey taught him:

- Patience: Growth takes time.
- Gratitude: Appreciate the help you receive.
- Purpose: Your existence can positively impact others.

Moral: Just like Sammy, each of you has the potential to grow, flourish, and make a difference.

"MY SCHOOL DAY"

EVERY MORNING I PACK MY BAG,
WITH BOOKS, NOTEBOOKS, AND A LUNCH
SNACKS,
OFF TO SCHOOL, I HAPPILY GO,
WITH FRIENDS AND TEACHERS I ALWAYS
KNOW.

IN CLASS, WE LEARN THINGS OLD AND
NEW,
MATH, SCIENCE, HISTORY, AND ENGLISH
TOO.

THE BELL RINGS LOUD, IT'S TIME FOR
PLAY,
THE PLAYGROUND'S FUN IN EVERY WAY!

THE TEACHER'S SMILE, SO WARM AND
BRIGHT,
MAKES EVERY LESSON FEEL JUST RIGHT.
SCHOOL'S A PLACE WHERE WE ALL GROW,
WITH EACH NEW THING, THERE'S MORE TO
KNOW.

SO HERE'S TO SCHOOL, BOTH FUN AND
SMART,
A SPECIAL PLACE, CLOSE TO MY HEART!

Nature "Is beautiful"

Nature,

Nature is needed

Nobody understands nature

No one knows why people are
destroying it

We should Nourish nature like a
baby

Nothing should destroy nature

Notice, nature is changing?

The good thing about the nature
is smell

The noises, the nests in the tree
and cute wonderful animal.

Do you care about nature

Nature is needed

Nature

Do your duty

Do your duty,
perform your task
Always be in front
don't be in mask.
If you have any doubt,
Don't hesitate to ask.

Time is very precious
don't waste it
don't haste it
Draw your own
Don't paste it.

It's your smile
which goes from a mile.
It's your labour
Which never goes vile.
It is you yourself
You can make your profile .

Work is time
and live for work
try to adjust then if you want ' Perk '

The secret of
having no jerk.

Thankyou

Things to remember when moving forward

1. The past can't be change .
2. Opinions don't define your reality
or what you are .
3. Everyone's journey is different in
they this world .
4. Over thinking will lead to sadness.
5. Happiness is formed within .just
find it .
6. Kindness is free ,so give it and take
it.
7. Judgement are not about you.
8. Your thoughts is a cured mood and
work.
9. What goes around, come around in
life .
10. Things always get better with time.

Triumphant Participation: Our School Boys Shine at Inter-School Volleyball Competition

Immaculate Conception Convent School proudly congratulates its talented volleyball team on their outstanding performance at the recent Inter-School Volleyball Competition!

Demonstrating impressive sportsmanship, they won the hearts of spectators and opponents alike. Each team member was honored with a certificate of appreciation for their dedication and excellence.

This accomplishment reflects Immaculate Conception Convent School's commitment to fostering holistic development, excellence, and sportsmanship. We continue to support our students' passions and talents.

THANK YOU
